

About the contest: Feedback is an important part of the training improvement process at Simpson Strong-Tie. After each training event, an email is sent out to all attendees with a link to an online survey. In an effort to encourage response, we began offering a chance to win a \$100 Amazon gift card just by completing the survey. Each quarter, we randomly select one winner from each of our major U.S. training regions. You can find the full official contest rules [here](#).

This winner list will be updated each quarter.

Note: As of October 1, 2015, our contest has changed from monthly to quarterly drawings. Five (5) winners will be selected each calendar year quarter.
